Our Privacy and Security Policy

We accept the following credit cards: Visa, MasterCard, Discover and American Express. The following statement discloses our practices regarding the dissemination of information gathered from this site. Auto Wireless Solutions is fully committed to data security. We have put in place physical, electronic and managerial procedures to safeguard and secure the information you provide to us online. When you place an order in an Auto Wireless Solutions Online Store, our secure server software (SSL) encrypts all personal information, including credit card number/expiration date, name and address. Auto Wireless Solutions uses this information to process and send your order only. We do not use this data for any other purpose.

We keep your personal information private and secure. When you make a purchase from our site, you provide your name, email address, credit card information, address, phone number, and a password. We use this information to process your orders, to keep you updated on your orders and to personalize your shopping experience.

Our secure servers protect your information using advanced encryption techniques and firewall technology.

To keep you informed about our latest offers, we may notify you of current promotions, specials and new additions to our store.
